PROGRAM HIGHLIGHTS

Kindergarten Readiness: Focus on fostering independence, responsibility and skills essential for a successful transition to kindergarten

Social Skills Development: Continued emphasis on social-emotional development as children learn problem-solving skills, empathy, and how to work as part of a team.

Independence & Fine Motor Skills: Encouragement of self-reliance alongside enhancement of fine motor skills.

Academic Focus: Introduction to letters and sounds, beginning sight words, and foundational math and science concepts.

Pre-K Handwriting without Tears Curriculum: Supports correct writing formation of letters and numbers.

Heggerty Phonemic Awareness program: Supports the Science of Reading foundational skills for reading. The program is explicit teacher modeling and scaffolding, teaching the eight phonemic awareness skills: rhyme, onset fluency, phoneme isolation, blending, segmenting, adding, deleting and substituting sounds. Additionally, letter names and sound recognition are reinforced and language awareness is taught via nursery rhymes.

Art & Music Opportunities: Integration of creative activities to foster expression and enjoyment.

Lunch: Children eat a packed lunch at school with classmates for greater social opportunities.
